

# AAC Succeed VB

## Canadian Western Amber Durum | Midge Tolerant

AAC Succeed VB is a top choice for new and innovative genetics in the durum market. This midge tolerant durum boasts a strong disease package and is among the highest in the class for protein. With the added peace of mind of wheat midge tolerance, AAC Succeed VB is a great choice among the new class of CWAD.

- Wheat midge tolerant CWAD
- High yielding, performs well in dry conditions
- High grain protein
- Good standability
- Very good disease package, 'MS' for FHB

Parentage: DT814/DT794/DT809 Refuge: CDC Alloy
