FP Genetics Appoints Shaynne Corbett as Marketing Coordinator

Regina, SK, November 6, 2018 - FP Genetics is pleased to announce the appointment of Mr. Shaynne Corbett, Marketing Coordinator effective November 7, 2018.

Shaynne brings with him several years' experience in the area of marketing and web design. Shaynne's most recent position was a Web Developer with Creative Fire which will serve him well in his role as Marketing Coordinator. Shaynne and his family reside in Saskatoon, SK and will work from his home office.

Over the next few months, Shaynne will work closely with the FP Genetics staff to understand our markets and our customers.

FP Genetics is dedicated to providing superior seed genetics to Western Canadian farmers through 162 local seedsmen that own the company. Recognized as a leader in the cereal seed business, they license leading genetics from breeding companies around the globe, producing and distributing pedigreed seed to commercial farmers who want the most profitable seed varieties.

Please join me in welcoming Shaynne to our team.
