

AAC GOLDRUSH

CWRW

Seeding For Gold

AAC Goldrush is a next generation, high yielding CWRW with excellent winter hardiness. It comes with good standability, strong rust resistance, and is rated intermediate to fusarium head blight (FHB).

Highlights

- Very high yielding; 111% of the check
- Excellent winter hardiness
- Strong straw and medium height
- R to leaf rust
- MR to stem rust
- I to FHB and stripe rust
