

# AAC Icefield

## Canada Western Hard Winter

**High yielding**  
**Short straw**  
**Good standability**

### The First Hard White Winter

AAC Icefield is Canada's first hard white winter wheat. As a winter wheat variety, it provides significant yield improvements over hard white spring wheats and has improved flour milling extraction, gluten strength, flour brightness and a sweeter taste than CWRW wheats.

- Good end use qualities
- Good rust resistance
