

AAC Schrader

Canada Western Amber Durum

**First 'I' rated FHB globally
for Durum**
**High protein – similar to
Strongfield**

Unrivalled FHB Resistance Globally

AAC Schrader is the first and only 'I' for FHB, displaying the highest resistance to FHB in CWAD. It's very high yielding with standability that's excellent and similar to Brigade. AAC Schrader is medium height with high grain protein, equal to Strongfield.

- Consistent top yielder over broad geography
- Very high yielding – similar to Brigade
- Excellent standability
- Medium height

Agriculture and
Agri-Food Canada

Agriculture et
Agroalimentaire Canada

Maturity: +1.5 days vs. Strongfield

Height: + 5 cm vs. Strongfield

Lodging resistance: Very Good (1.5)

FHB Rating: I

Stem Rust Rating: R

Leaf Rust Rating: R

Stripe Rust Rating: R

Bunt Rating: MR

Strengths

FHB resistance superior to other durum cultivars and comparable to the bread wheat cultivar AAC Viewfield which is rated intermediate for FHB resistance.

Combination of high yielding with high wheat protein and semolina protein concentrations equal to Strongfield, and strong straw equal to Brigade with similar plant height to AAC Cabri.

Low grain cadmium content.
