

SU Performer

Hybrid Fall Rye

High consistent grain yields
High forage yields
Excellent winter hardiness,
survivability & standability

The True Performer

SU Performer boasts exceptional versatility, delivering high and consistent grain yields alongside impressive forage production. Its robust winter hardiness ensures reliability in a challenging Canadian climate, making it a standout choice for farmers seeking dependable returns. SU Performer is a true all-rounder. With options for marketing, milling, distilling, ethanol and feed, this variety excels, offering flexibility in end-use options. It matures early, stands strong, and its shorter height simplifies management.
